

**Study Guide, Final Exam
PS 12: International Relations
Spring 2011**

The final exam will be in three sections. Please be sure to bring at least one blue book.

The first section will ask you the following:

Please define and identify the significance of three (3) of the following five (5) terms. Your answer for each should be brief but demonstrate that you understand the concept and how it relates to the material covered in this course. Your answer should include: the definition of the term, the significance of the term with respect to International Relations, and a historical example (where appropriate) of the term. Each answer is worth 10 points, for a total of 30 points (out of 100).

The list is drawn exclusively from the chapters and lectures after the mid-term. We will select five terms from the following list of 51 (also included as “key terms” at the end of each chapter of FLS).
